THE REAL PURPOSE.

Soon there'll be spellbinding,
Windjamming and all that,
And most of us won't hardly know
Exactly where we're at.

They'll speak from California
Clear across to Delaware;
They'll speak of almost everything
And almost everywhere.

But the main thing in the meantime,
I'd like for you to note,
Will be to say smooth sayings just
To catch the wily vote.

—New Orleans Times-Democrat.

Lawyer A. D. Cole won a hard fought case in the Circuit Court at Vanceburg last week. The cause was that of the Wilson Administrators v. C. and O. Railway Company for the killing in an accident of Mrs. Wilson some five years ago. The case has been in the Federal Court and from there transferred back to the State Courts, then to the Court of Appeals, where it was reversed and sent back and tried in the Lewis Circuit Court, Judge Kinner presiding, where a judgment for \$3,826 was given.

A year or so ago when "My Wife's Family" was presented at the Washington Theater, the house was only fair and not what the company deserved. The general sentiment of the audience was that it was one of the best things that had been seen here and was highly satisfactory in every way. Many times have the management been asked the question "why don't you get 'My Wife's Family' back again?" It will draw a big house." Now the management have done their part in securing the attraction for Wednesday, October 10th, and can guarantee the company to be a good one and containing several members of the original cast. Do your part and tell your friends and see if you can't give "My Wife's Family" the biggest house of the season.

This suit was begun March 31st, 1899, and this was the fourth trial of the case. In the first three trials the Jury were unable to agree. It has been fought hard on both sides from start to finish. Worthington & Cochran for plaintiff; Sallee & Slatery and W. H. Wadsworth for defendant.

UNUSUAL SERMON

Dr. J. W. Porter at First Baptist Church Last Evening

Although the hour was an unusual one—8:15—Rev. J. W. Porter was greeted with a good-sized audience last evening, and that it was in full accord with the speaker in what he said and felt was manifest in the deep concern with which it followed his remarks throughout.

Always an entertaining and instructive pulpit orator, last evening he gave evidence of having advanced further along that line by giving expression to beautiful word painting in a manner most delightful and pleasing to his audience.

At the close of the service almost all present went forward and gave the popular Minister a hearty handshake and a cordial greeting.

REGISTRATION RESULTS

What Is Shown By the Figures of Tuesday Last

The result of Tuesday's regular registration shows an aggregate falling off of 59 from the total of 1905.

"On the face of the returns," the Democrats gain 18, and the Republicans lose just that number,—making an offset—the total loss of 59 being in the number of those registering as non-committal, &c.

However, there will be a three-days' inning at the Clerk's Office for those who were too sick to get to the polls on the regular day, or who were absent from the city.

There was a light registration in the country towns Tuesday judging from the following figures—

Washington	126
Germantown	33
Orangeburg	34
Murphysville	18
Minerva	32
East Mayslick	26
West Mayslick	41
Sardis	68

BRYAN MARKETS

Comparison of Prices Following His Speech Ten Years Ago With Present Time

Ten years ago this month William J. Bryan read his famous Madison Square speech, which marked the upward turn of a market which had become utterly demoralized. His 1896 speech was delivered Wednesday, August 12th, but as a campaign argument it fell flat, described by The New York press as a "dreary waste of words."

In view of Mr. Bryan's speech a contrast of stock market prices now and ten years ago makes very interesting reading. Comparison of a few New York and Boston stocks follows herewith:

New York.	Aug. 29, '96.	Aug. 12, '06.
Atchafalpa	107 1/4	10 1/4
Delaware and Hudson	218 1/4	116 1/4
Del., Lack. and Western	530	139 1/4
Erie	46 1/4	12 1/4
General Electric	165 1/4	23 1/4
Louisville and Nashville	149 1/4	40
Missouri Pacific	97 1/4	12
Northwestern	212 1/4	89 1/4
N. Y. Central	144	90
Reading	139	9 1/4
St. Paul	175 1/4	62 1/4
Sugar	139 1/4	98 1/4
Union Pacific	187 1/4	*20 1/4

Boston Stocks.

Boston and Montana	440	71 1/4
Calumet and Hecla	730	300
Chicago, Burlington & Quincy	250	55 1/4
Old Dominion	40 1/4	12 1/4
Oscoda	114 1/4	23
Tamarack	98	65
Wolverine	157	6

*Includes the \$15 assessment later levied in reorganization.

The price of Boston and Montana is the price of four shares of Amalgamated given for each share of Boston and Montana.

The price of C. B. and Q. is the latest price of outstanding minority stock, which is less than its value were it today an independent company, and is less than its present value to the majority ownership held by Great Northern and Northern Pacific.

To equip and stock the new farm will mean an outlay estimated at from \$40,000 to \$50,000. The owner is a retired wholesale druggist of Toronto.

Prof. Edwin Boggs of Lewis county, accompanied by his mother, Mrs. J. R. Boggs, was a pleasant caller here Tuesday.

Large quantities of coal and manufactured fertilizer are being hauled from here over the fine grade of Cabin Creek and intersecting pikes that lead into the interior counties.

No deaths from diphtheria since Saturday and all cases are reported improving. The strictest quarantine is still in vogue, as there are many families who have so far escaped the malady.

Mrs. Robert Hook became alarmed, fearing her grandson, Charles, might become infected with diphtheria, so she bled away to Covington with him. Word came yesterday, calling her son, Mr. D. W. Hook, that the child was seriously ill at the home of a relative there.

REMOVED PARASITES

Cooper's Preparation Brings a New Disease to Light

St. Louis, October 3d, 1906.

Probably the most unusual feature of the excitement that has been created by L. T. Cooper's visit to this city is the removal of parasites or tapeworms by his preparations.

During the early part of Cooper's stay in St. Louis individuals who were taking his "New Discovery," as it is called, brought either to himself or to physicians throughout the city immense parasites that had left the system after using the medicine.

Many of these people were frightened, and cases of this sort became so numerous that Cooper finally made the following statement for publication:

He said: "In every city I visit these things are brought to me within a few days after my medicine is sold in the city. They are what is known as the tape-worm, and grow to enormous size.

"Few indeed realize how prevalent these creatures are. I think I have been the first to demonstrate what a large factor they are in the poor health of this generation. I believe that fully one-half the chronic stomach trouble that is so universal is caused by these parasites.

"Individuals may have them for years and not be aware of the reason for continued ill-health, but attribute it to many different diseases, when in reality one of these creatures is robbing them of their vitality.

"These parasites are taken into the system in uncooked food or rare meat, in the form of an egg which hatches almost immediately. People suffering from them experience a feeling of lassitude and are extremely nervous. The action of the 'New Discovery' seems to be fatal to these great worms and in most cases a few doses of the medicine drives the creatures from the system. I will have hundreds of them brought to me before I leave the city."

This gruesome prophecy has been amply verified, for not only hundreds but thousands of St. Louis people have been relieved of one of these fearful parasites since taking Cooper's preparations, and the entire city has been aroused by the fact.

Some of these parasites are of such enormous size as to startle the imagination. The statement of Father John Baptist Arnolis, one of the best known and best beloved Priests in this section of the country verifies this. His statement, among others given to a reporter, was as follows:

"For years I suffered from what I thought was a general run down condition of the system caused by stomach trouble. I felt extremely tired all the time, and it was a great effort to attend to my duties. I would wake up in the morning feeling as worn-out as when I went to bed. If I stood for any length of time I would have a pain in the lower part of my back, and would have to sit down.

"I was very nervous and depressed in spirits, and was troubled with dizzy spells. I would see spots before my eyes when I stooped over and raised up quickly. I had a very irregular appetite, and would have palpitation of the heart after ascending the stairs.

"The talk about Mr. Cooper's preparations was so universal that I decided to try some, although I do not take patent medicines as a rule. I took four doses of the 'New Discovery' as it is called, and a tape-worm about ninety feet in length left my system.

"I am very thankful for this great relief, and I now know what has been the cause of all my sufferings."

This story of Father Arnolis is a fair example of the experience of an astonishing number of St. Louis people, and Cooper's preparations are selling here in immense quantities. It is now estimated that he has sold one hundred thousand bottles to date in this city alone, and the sale is still increasing.

TWICE-TOLD TESTIMONY.

Maysville People Are Doing All They Can for Fellow Sufferers.

Maysville testimony has been published to prove the merit of Doan's Kidney Pills to others in Maysville who suffer from bad backs and kidney-ills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Maysville people saying that the cures they told of years ago were permanent. Here's a Maysville case:

George N. Crawford, blacksmith and wheelwright, at Second and Lee streets, and living at 216 East Lee street, Maysville, Ky., says:

"In the spring of 1900 I gave a testimonial telling what Doan's Kidney Pills had done for me, and I am pleased to say I can just as warmly recommend this remedy now as I did then. No other medicine ever gave me such prompt and positive relief from backache and kidney trouble as Doan's Kidney Pills, procured at J. James Wood & Son's drugstore, and I believe them to be by far the best remedy for kidneys there is. Sufferers from such trouble ought to give it a trial."
